01 SEPTEMBER TO 02 NOVEMBER 2019

Message From Mohd. Mushtaque Ahmad President - Hockey India

"The months of September and October proved to be extremely successful for all of us here at Hockey India. Both our Senior Men's and Senior Women's teams started the two months with the aim of qualifying for the Tokyo 2020 Olympic Games, and it was pleasing to see the teams defeat their opponents at the FIH Hockey Olympic Qualifiers Odisha. While the Indian Men's Team successfully toured Belgium where they defeated the hosts and World No. 8 Spain in their total of five matches in September-October. The Indian Women's Team, on the other hand, played against a strong Great Britain team in England where the two teams finished the five-matches levelled at 1-1.

Both the preparatory tours for the teams were helpful as the teams peaked at the right time during the recently concluded FIH Hockey Olympic Qualifiers Odisha held on 1st and 2nd November 2019. World No. 5 Indian Men's Team beat World No. 22 Russia 11-3 on aggregate, while the World No. 9 Indian Women's Team defeated World No. 13 USA 6-5 across the two matches. It was an objective that both our teams wanted to achieve, and now we are all looking forward to preparing well in the upcoming nine months for the crucial Tokyo 2020 Olympic Games.

The month of October also saw the Indian Junior Men's Team take part in the 9th Sultan of Johor Cup in Johor-Bahru, Malaysia where they won the Silver Medal as they lost to Great Britain in the Final match. The team has now won back-to-back Silver Medals in the competition, and I would like to congratulate them on the achievement.

October also saw the FIH Academy - Hockey India Coaching Education Pathway Level '2' get underway in Bhubaneswar, Odisha, which saw FIH Academy Educators like Sven van der Most (Netherlands), Coach and Technical Manager at HC Oranje Rood, Mike Irving (Great Britain) and Tsoanelo Pholo (South Africa) impart knowledge to the attendees, and provide them with the opportunity to study and be assessed on their theoretical knowledge. Over 80 candidates took part in the two Coaching Course over the Olympic Qualifier weekend, with the Level '1' scheduled to take place from 3 November 2019.

Some of the Indian Men's and Indian Women's Teams' athletes also achieved milestones during the months of September and October. The Indian Men's Tour of Belgium saw Forward Mandeep Singh complete 150 International Caps for India during the fourth match, while the Indian Women's Tour of England saw Nikki Pradhan complete 100 International Caps, while experienced players Savita and Deep Grace Ekka completed 200 International Caps each. Whereas, the FIH Hockey Olympic Qualifiers Odisha saw Indian Women's Team's Midfielder Monika complete 150 International Caps for the country, while Indian Men's Team's Forward Lalit Kumar Upadhyay completed 100 International Caps for his team.

The Olympic qualification was the icing on the cake during these two months, and now we look forward to ending the year with some preparatory camps for our teams."
