OVERVIEW

HOCKEY INDIA

The year 2018-19 was a landmark year for Hockey in India with the mega success of the 2018 Men's World Cup in Bhubaneswar which set a new standard in terms of hosting and execution of the quadrennial extravaganza. The world took notice of the event which for the first time in the history of the event showcased an opening ceremony similar to multi-discipline world events. It was a culmination of tireless efforts put in by Hockey India and Odisha State Government officials. Earlier that year, we saw the Indian women's team achieve a historic feat of making the quarter final of the 2018 Women's World Cup in London and bettered this performance with a Silver Medal at the 18th Asian Games - the result reflects the inspirational journeys each member of the women's team has endured to make it big in the sport. The Indian Women's Team also finished runners-up at the Asian Champions Trophy and reached the Semi Finals of the Gold Coast Commonwealth Games to finish fourth. All these results eventually contributed to their world ranking where they jumped up to career best No.9 in the world.

We also witnessed our Men's team achieve World No.5 ranking after a Silver Medal feat at the FIH Champions Trophy which was a highlight in the calendar year which was otherwise less impressive as they won Bronze in the 18th Asian Games and finished fourth in the Gold Coast Commonwealth Games. They ended up 6th in the FIH Men's World Cup but the year saw some impressive talent with new comers taking center stage. Hockey India also hosted Korean national team, Bangladesh and New Zealand for Test matches in Bengaluru as exposure event for the Men's Team ahead of the major events.

Our youth teams did exceedingly well with a Silver Medal won by both our Junior men and women's team at the Youth Olympic Games at Buenos Aires while the India Colts won a Silver Medal at the Sultan of Johor Cup. 2018 also witnessed Hockey India successfully host the FIH Congress and Election for the first time on Indian soil.

Simultaneously, the domestic calendar remained busy with tournaments round the year at the sub-junior, junior and senior levels. We also hosted the new-age five-a-side Hockey Nationals in Bengaluru which captured the imagination of a traditional Bengaluru Hockey audience. In an endeavour to help our Indian Women's Team improve their game, Hockey India invited Australian great Glenn Turner to work with the strikers at the National Camp in Bengaluru.

DOMESTIC EVENTS

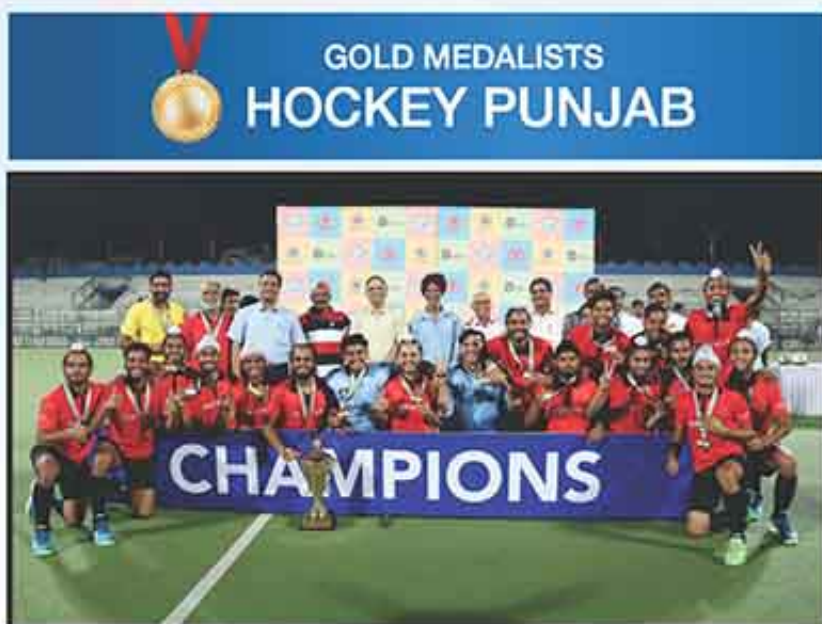

With able support from our Member Units, Hockey India successfully conducted an array of domestic events across multiple venues. The domestic events continue to remain significant in the calendar of events as the future stars are recognised and selected to be further groomed at the National Camps. While talented youngsters use this platform to showcase their abilities to national selectors, those who have been dropped from the national program use these platforms to prove just why they need to be in the reckoning again. The events spanning across different age-groups and divisions saw fierce competition and healthy rivalry that was equally enjoyable for the spectators at these cities to witness.
